RomaMoMA is a transnational, collaborative and discursive art project of the European Roma Institute of Arts and Culture (ERiac) and OFF-Biennale Budapest. It is a platform to envision and discuss the possible forms of a Roma museum of modern and contemporary art that will spread in time and space through a series of exhibitions, discussions, and art projects. It will invite Roma and non-Roma artists, cultural experts, scholars and civil society. RomaMoMA is to perform an institution which, hopefully one day, materializes into a cutting-edge agent of the contemporary arts and culture scene.

The Alliance of Institutions for European Roma Cultural Inclusion aims to conduct a policy change. We invite all public institutions in Europe working with arts and culture – museums, concert halls, academic institutions, cultural decision-makers, to reshape museum protocols and join the **Alliance of Institutions for European Roma Cultural Inclusion!**

Please describe your institution's approach and line of actions for the European Roma Cultural Inclusion and include areas where you seek ERiac's consultancy.

Please send the document by email to eriac (at) eriac.org with the subject line *Romamoma European Roma Cultural Inclusion*.
