EVENT DESCRIPTION

ERiac is thrilled to announce that the ERiacNET4EU project has been extended through the new Framework Partnership Agreement with the European Commission for the next 3 years, 2026-2028. Building on the achievements and impact generated through the ERiacNET4EU initiatives between 2022 and 2025, ERiac is launching the next iteration of this important initiative.

This kick-off event is tailored to provide ERiac associate members with comprehensive insights into the project, highlighting key achievements from the previous cycle and unveiling the eagerly anticipated call for grant applications in 2026. The event will provide insights into the ERiacNET4EU 2026 call for grants, clarifying eligibility requirements, types of available support, budget, and matching fund requirements. Participants will also have the opportunity to engage in the discussion on the planning for the upcoming activities of the ERiacNET4EU project for 2026 and provide their feedback and recommendations for impactful implementation.

TARGET AUDIENCE

This event is uniquely crafted for ERiac associate members and the ERiac team. The participation of ERiac staff, consultants, and thematic section coordinators is crucial to ensuring that all stakeholders are comprehensively informed about the upcoming activities and opportunities developed in the frame of ERiacNET4EU in 2026. ERiac will extend a special invitation to 2025 Grantees to facilitate transfer of knowledge and good practices.
